**Alert: You're about to purchase a product that is not simple and may be difficult to understand.**

## What is this product?

<b>Type</b>	AVI Japan Opportunity Trust plc (“AJOT”), is a closed-end investment trust.
<b>Objectives</b>	The investment objective of AJOT is to provide Shareholders with capital growth in excess of the MSCI Japan Small-cap index, through the active management of a focussed portfolio of equity investments listed or quoted in Japan which have been identified by the Investment Manager as undervalued and having a significant proportion of their market capitalisation held in cash, listed securities and/or realisable assets.
<b>Gearing</b>	AJOT intends to use gearing (up to 25% of NAV). This will magnify any gains or losses made by the Company. At the production date of this document the Company had the following borrowings: - ¥6,600,000,000 revolving credit facility
<b>Intended retail investor</b>	Due to the nature of the investment strategy, this fund may not be appropriate for investors who plan to withdraw their money within 4 years.

## What are the risks and what could I get in return?

### Risk Indicator

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets.

The manufacturer has classified this product as 5 out of 7, which is a medium-to-high risk class. This rates the potential losses from future performance at a medium-high level.

**Be aware of currency risk.** If you are a non-UK investor, you will receive payments in a different currency, so the final returns you will get depend on the exchange rate between the two currencies. This risk is not considered in the indicator shown above.

This product does not include any protection from future market performance so you could lose some or all of your investment.

## Performance scenarios

## What happens if AVI Japan Opportunity Trust plc ("AJOT") is unable to repay?

AJOT is a closed-end investment trust company listed on the London Stock Exchange and therefore investors will be able to close their investments on each working day. As a shareholder of AJOT you would not be able to make a claim to the Financial Services Compensation Scheme (or equivalent overseas authorities in the case of non-UK shareholders) in the event that AJOT is unable to pay out.

## What are the costs?

### Costs over the time

Invested amount: £1,000	If you cash in after 1 year	If you cash in after 2 years	If you cash in after 4 years
<b>Total Costs</b>	£10.00	£20.00	£40.00
<b>Impact on return (RIY) per year</b>	1.00%	1.00%	1.00%

The Reduction in Yield (RIY) shows what impact the total costs you pay will have on the investment return you might get. The total costs take into account one-off, ongoing and incidental costs.

The amounts shown here are the cumulative costs of the product itself, for three different holding periods. They include potential early exit penalties. The figures assume you invest £1,000. The figures are estimates and may change in the future.

## Composition of costs

The table below shows:

- The impact each year of the different types of costs on the investment return you might get at the end of the recommended holding period;
- The meaning of the different cost categories.

Other ongoing costs of 1.00% reflects the total fee paid to Asset Value Investors Limited (the Investment Manager). This fee falls to 0.95% for AUM between £300m to £350m and to 0.9% for AUM above £350m. The Investment Manager reinvests 25% of its fee into shares of the Company. For more information on the fees and expenses incurred by the Company, please see the latest Annual Report which can be found on the Company's website at [www.ajot.co.uk](http://www.ajot.co.uk).

<b>One-off costs</b>	Entry costs		Not Applicable.
	Exit costs		Not Applicable.
<b>Ongoing costs</b>	Portfolio transaction costs	0.00%	The impact of the costs of buying and selling underlying investments for the product.
	Other ongoing costs	1.00%	The impact of the costs charged each year for managing your investments.*
<b>Incidental costs</b>	Performance fees	0.00%	Not Applicable.
	Carried interests		Not Applicable.

\*All costs incurred by the Company, including the investment management fee, are reflected in the Company's share price as quoted on the main market of the London Stock Exchange.

## How long should I hold it and can I take money out early?

Due to the nature of the investment strategy, the suggested holding period is at least 4 years. However, investors will be able to close their investments on a daily basis.

## How can I complain?
